

CHRISTIAN SCIENCE NURSES FUND

Chair's Report 2024

INTRODUCTION

A very warm welcome to our 2024 newsletter for The Christian Science Nurses' Fund (CSNF). Here we give a brief update on our last financial year's support for Christian Science Nurses in training, work and retirement (1 July 2023 to 30 June 2024).

FINANCIAL SUPPORT FUND

The Financial Support Fund paid over £44,000 this year to support Christian Science nursing in the UK. This included help with living costs, Rest & Study breaks in a Christian Science house, Christmas gifts to our retired CS nurses, home improvements and Journal Listing.

TRAINING FUND

The Training Fund gave over £18,000 to support training in the UK.

This is an exciting time for Christian Science nursing in the UK and we have seen an increase in the number of trainee Christian Science nurses training at Lime Tree House in the UK (Outstanding rating by the Care Quality Commission) and working with Le Verger and the Whitehaven Trust's visiting Christian Science Nurses' Team to provide further training.

The Fund has helped support the training/mentoring programme and provided laptops and JSH Online to trainee Christian Science nurses. We have also provided assistance with car maintenance, house removal costs, travel to training venues, travel to Association and childcare costs.

DONATIONS

We are so very grateful for the donations we receive from individuals, Christian Science churches and Christian Science Societies and legacies. It is a wonderful example of God's abundance meeting every need.

We advertise our charity on our website, at Christian Science events and conferences and in The Art Store Bulletin.

If you would like to support the work that we do please send cheques made payable to 'Pension Trust for Christian Science Nurses' and post to the administrator, or contact her for bank transfer details.

TRUSTEES

This year we welcomed Mike Morgan to the team. Mike is currently CEO at The Whitehaven Trust.

Our trustees are as follows: Stephen Eggins (Chair), Mary Jane Pearson (Vice Chair), Julie Brearley, Margritta Reid, Angie Wallace, CS and Mike Morgan.
