

CHRISTIAN SCIENCE NURSES FUND

Chair's Report 2025

INTRODUCTION

Welcome to our 2025 newsletter for The Christian Science Nurses' Fund (CSNF). We are delighted to share with you the ways we have supported Christian Science nurses in training, work and retirement in the last financial year (1 July 2024 to 30 June 2025).

FINANCIAL SUPPORT FUND

The Financial Support Fund paid £80,682 this year to support Christian Science nurses and retired CS nurses in the UK – almost double last year's payments. This included help with living costs, JSH Online, Rest & Study breaks in a Christian Science house, Christmas gifts to our retired CS nurses, home improvements, car costs and Journal Listing.

TRAINING FUND

The Training Fund paid £54,894 to support training in the UK and we are so grateful to the Westminster Fund for their donations.

The increase in the number of trainee Christian Science nurses training in the UK has continued to increase both at Lime Tree House and the Whitehaven Trust's visiting Christian Science Nurses' Team both providing training and mentoring. This has been supported by additional training at Le Verger, Switzerland.

The Fund paid £1,000 to each new trainee CS nurse to help with living costs during training, many of whom live in their own accommodation. It has also provided laptops, JSH Online, assistance with car maintenance, house removal costs, travel to training venues, travel to Association and home, and childcare costs.
