

Chair's Report 2026

INTRODUCTION

Welcome to our 2026 newsletter for The Christian Science Nurses' Fund (CSNF). Our newsletter provides us with the opportunity to illustrate how we have supported Christian Science nurses in training, work and retirement in the last financial year (1 July 2025 to 30 June 2026).

FINANCIAL SUPPORT FUND

The Financial Support Fund paid just over £66,300 this year to support Christian Science nurses and our retired Christian Science nurses in the UK.

This included a one off payment of £1,000 to all Journal Listed Christian Science nurses to help with living costs, Rest and Study breaks in a Christian Science house, JSH Online, Journal Listing, Christmas gifts to our retired Christian Science nurses, assistance with fares to return home or to Association, childcare costs, moving house or home improvements and car costs.

TRAINING FUND

The Training Fund paid just over £31,000 to support training in the UK and we are so grateful to the Westminster Fund for their donations.

The Training Fund continues to pay £1,000 to each new trainee Christian Science nurse after their first six months of training, and a one off payment of £1,000 was made to all trainee Christian Science nurses to help with living costs, many of whom live in their own accommodation.

It has also provided laptops, JSH Online, assistance with car maintenance, house removal costs, travel to training venues, travel to Association and home, and childcare costs.

We are always delighted to help all Christian Science nurses, within the remit of our Financial Support Fund and Training Fund Policies, and encourage all Christian Science nurses to contact us should a need arise. If we are unable to help we will try and signpost to alternative source of funding.

DONATIONS

Donations from individuals, Christian Science churches and societies and legacies provide us with the funds to continue. We are so grateful for these donations and the thought of those leaving us donations in their wills.

If you would like to make a donation by bank transfer our details are **Account Name:** Pension Trust for Christian Science Nurses **Account No:** 00005112 **Bank Sort Code:** 40-52-40 or send a cheque made payable to **Pension Trust for Christian Science Nurses** to the administrator.

PTCSN ADVERTISING AND WEBSITE

We have recently updated our logo and website so do please take a look. We are currently advertising on the Christian Science Nurses Association (UK) webpages so Christian Science nurses can find our details there too (under Notices and New) to help those already in the profession with funding as well as those thinking about it.

TRUSTEES

Our trustees for 2025/26 were as follows:

Mike Morgan (Chair), Margritta Reid (Vice Chair), Mary Jane Pearson, Julie Brearley and Philippa Chatterley, CS.

Our very dear trustee Julie Brearley passed on in August 2026, and we are all so grateful for the invaluable work she did to support the CSNF and Christian Science Nurse training in the UK.
